

Glenwood Homeowner's and Residents,

Earlier this week, the Victor Jones Park was exposed to graffiti vandalism.

A VJP neighbor has reported the vandalism to the San Rafael Police Department and contacted the City of San Rafael's Graffiti Hotline. A similar act of vandalism was also reported earlier in the year.

The following pictures shows the graffiti put on the water tower, outside the boys bathroom and inside the girl's bathroom.

Please keep an eye out for any ongoing vandalism and if necessary report directly to our SRPD contact (see below).
