Treasurer's report: attached

Communication:

- San Rafael traffic engineer has requested the removal of the flax at the entry signs for safety in the unmarked crosswalk at the foot of Knight Drive.
- **Motion by Mulligan to remove the flax on both sides of entry signs at per Nadar's request. Unanimous approval**
- Scott to send email to gardener for suggestion for new plant to replace the flax
- Sellinger has asked the traffic engineer to stripe the cross walk.
- We have received a request from a Glenwood resident for a grab bar in the park restrooms. It was suggested to go to San Rafael Center for Handicapped asking them to help with this request.

Business:

- Update on letter for poorly maintained homes and yards; Roberts to print up letters for mailing

Committee Reports:

- Victor Jones Park update, San Rafael Park Commission meeting 11/20. Letters have gone out from the City to neighbors to the park announcing the presentation to the Parks Commission advising them to attend the meeting and speak out.

Announcements:

- Federation of Neighborhoods: Sellinger gave update of meeting with City Manager. GHA is a member of Federation. New development in whole of city is stagnating due to financial crisis, as a result the city has hiring freeze, comparing its self with other communities with similar financial income, reducing expenditures by collaboration with other municipalities and agencies in an order to reduce overlap, significant reduction in hiring benefits.
- Church of the Redeemer requested readerboard announcement for coat drive, food drive. Also they asked us to participate in there holiday sing along.

Respectfully submitted

Sandra Sellinger, Acting Secretary
