

Dear Fellow Marin County Resident:

Working with the city, county and state guidelines, we are notifying you of a special event that will be taking place this Sunday Morning, November 1, 2009 at McNear's Beach Park.

The second annual Marin County Triathlon, an environmental friendly and sustainable produced event, will be donating 100% of the proceeds, yes everything, to very worthwhile charities which include Sunny Hills Children's Services, the Leukemia & Lymphoma Society and Jenny's Light.

We would appreciate your cooperation and support, as there may be a minor detour in your neighborhood to ensure the safety of the attendees.

From 7:45 am till approximately Noon, Point San Pedro Road will be closed at the east entrance of Heritage Drive through China Camp State Park. There will be no access through China Camp but the Peacock Gap Golf Course is accessible and ALL residents can get to and from their homes.

There will be plenty of detour and event signs in place, police and volunteers, and we honestly feel that no one will experience any inconvenience, though there may possibly be a minor delay only during those times.

This is a wonderful event for wonderful causes. We welcome you to join us to help us succeed in our efforts.

There are numerous professional athletes and US Olympians taking part this year, right in your own backyard!

This amazing event is certainly very worthy of Marin County and its great community.

If you have any questions or concerns, you are welcome to call me.

Thank you very much for your time and support.

Executive Director
