

Dear Fellow Marin County Resident:

Working with the city, county and state guidelines, we are notifying you of a special event that will be taking place Saturday and Sunday mornings, November 5 and 6 at McNear's Beach Park.

The fourth annual Marin County Triathlon Weekend, an environmental-friendly produced event, will again be donating 100% of the net proceeds to very worthwhile charities, which this year include the Leukemia & Lymphoma Society, Cystic Fibrosis Foundation and the Friends of China Camp.

We would appreciate your cooperation and support, as there may be a minor detour in your neighborhood to ensure the safety of everyone.

From 7:30 am till approximately 11:30 am, Point San Pedro Road will be closed at the east entrance of Heritage Drive through China Camp State Park. There will be no access through China Camp but the Peacock Gap Golf Course is accessible and ALL residents can get to and from their homes.

There will be plenty of detour and event signs in place, police and volunteers, and we honestly feel that no one will experience any inconvenience, though there may possibly be a minor delay only during those times.

We will also be offering complimentary shuttle buses (natural gas vehicles) to and from the park along Point San Pedro Road to alleviate congestion in the neighborhood.

This is a wonderful event for wonderful causes. We welcome you to join us to help us succeed in our efforts.

Again there are numerous professional athletes and celebrities taking part this year, right in our own backyard!

This amazing event is certainly very worthy of Marin County and its great community.

Please visit our websites below for further information about the events.

Thank you very much for your time and continued support.

Mark Liebert
Executive Director
